

Your 2024-2025 FAFSA has been received – however, additional action is required before eligibility can be determined.

WHY IS ADDITIONAL ACTION REQUIRED?

In response to the 2024-25 FAFSA question, “*When the student begins the 2024-25 school year, what will their college grade level be?*” you answered, “*Master’s, doctorate, or graduate certificate program (MA, MBA, MD, JD, PhD, EdD, etc.)*”.

As Black Hawk College does not offer any master’s, doctorate, or graduate level programs, you must correct your response if you plan to attend Black Hawk College.

WHAT DO I NEED TO DO?

Make corrections to your 2024-25 FAFSA. Log on to www.fafsa.gov and under the “My Activity” section select “FAFSA Form 2024-25.” In the top right corner select “Actions” then “Make Corrections”.

1. For the question, “*When the student begins the 2024-25 school year, what will their college grade level be?*” select the appropriate grade level.
2. Provide any required contributor (parent) information.

Be sure to sign and submit after making any corrections.

Please allow 5-10 business days for the Financial Aid Office to receive your updated application.
